Skills and Understanding

- Able to re-tell the story of creation from Genesis.
- Can recognise that 'Creation' is the beginning of the 'big story' of the Bible.
- Able to say what the creation story tells Christians about God, Creation and the world.
- Able to give examples of what Christians do to say thank you for God's creation.
- Can think, talk and ask questions about living in an amazing world.
- Can talk about what people do to mess up the world and what they do to look after it.

Key Facts

- Christians believe that God created the world.
- Genesis is the first book in the Bible and tells the Christian story of creation.
- Christians believe that God created the universe.
- Christians believe that the Earth belongs to God, He shares it with them as a gift. Their job is to look after the world.
- Christians think God provides everything we need to survive (land, water, air, sun, food etc). So humans should thank God above all.
