PSHE & C (SEAL) Circle Time	I can reflect on the roles and responsibilities of members of my family.	I can identify friendship skills and put them into practice.	I know and can use some strategies for keeping myself safe online.	I can explain how some of the actions and work of people around the world help and influence my life.	I understand how my needs and rights and shared by children around the world and can identify how our lives might be different.	I enjoy being part of a family and part of other groups, including my friendships.
