**Pictures and Images****Skills and Understanding**

- To consider the concept of diversity
- To consider a diverse range of views about tolerance and respect and prejudice-reduction
- To think about our own experiences and views about race, ethnicity and racial justice in relation to religions and worldviews.

**Key Facts**

Religious holy books speak about treating others with goodness and fairness. Edward Colston was a slave trader from the 1600s. He enslaved more than 80,000 Africans. John Wesley was a Christian leader from the 1600s. He believed that God loves every person and he preached against slavery. Christians believe that God loves everyone and the bible teaches them not to be racist. The 'Golden Rule' appears in many religions. It means to treat others the way that you would like to be treated.
